D- Honer Engineers (India) Private Limited

www.indiamart.com/dhoner

We manufacture and export a wide range of hydraulic equipment & honing machines. These machines are manufactured using latest technology and engineered to meet the demands of automobile, bearing and hydraulics manufacturing companies.

About Us

Incepted in the year of 1988, we are a manufacture and export company, offering a wide range of Hydraulic Equipment & Honing Machines. Our range includes Vertical Hydraulic Honing Machine, Horizontal Hydraulic Honing Machines, Valve Body Lapping Machine, Precision Lapping Machine, Engineering Drilling Machine, Super Finishing Machine and Centerless Super Finishing Machine. The entire range is available in various technical specifications that can be customized to suit the diversified requirements of the clients.

The entire range of Hydraulic Equipment & Honing Machines manufactured by us are tested on various quality parameters such as Tolerance, Tensile strength and Performance that enhance the credibility of our products in international market. Further, we have a well-equipped manufacturing unit that also allows us to develop our machines and equipment on cutting edge technology. Due to the quality of our Hydraulic Equipment & Honing Machines, we have created a large clientele across the world. We have tie-ups with C&F agents which assists us in delivering the consignments within the stipulated time frame.

Under the able guidance of our owner, Mr. Kiran Save, we have touched new heights of success in the industry. His business acumen has helped us establish our company at the zenith of the industry.

VERTICAL HYDRAULIC HONING MACHINE

Extra Long Vertical Honing Machine

Double Spindle Vertical Honing Machine

Plato Honing Machine

Vertical Hydraulic Honing Machine

LAPPING MACHINE

Bench Type Lapping Machine

Valve Body Lapping Machine

Double Side Lapping Machine

Plunge Cut Lapping Machine

SUPER FINISHING MACHINE

Single Head Super Finishing Machine

Tripple Head Super Finishing Machine

Double Head Super Finishing Machine

Superfinishing Machine

HONING TOOL

Single Pass Honing Tool

Blind Bore Honing Tool

Hydraulic Expansion Honing Tool

Manual Expansion Honing Tool

Factsheet

Year of Establishment	2006	
Nature of Business	:	Manufacturer, Exporter, Trader
Total Number of Employees	:	11 to 25 People
